Breakout 2	Whiteaker 123	Invitation to Intimacy Jeff Deyo Celebration Church Lakeville, MN jeffdeyo.com <i>If you're like Jeff, you may not have grown up using the word intimacy when referring to your relationship with God. Even so, close fellowship with God is the greatest invitation we've been given in life—as well as something all the great men and women of God enjoyed. There's no question, this is the #1 main reason Jesus died on the cross—to make a way for us to be fully reconciled in relationship to the Father. We don't want to get to the end of this life and realize we missed out on God as our First Love. Let's talk!</i>
