| Breakout 1 | 403 | <p>Video Lighting Without Lights</p> <p>Andrew Cox Orlando Christian Church Orlando, FL</p> <p><i>This class is designed to teach you how to control and manipulate light to give the best image possible for post-production video. Proper lighting can be expensive, and that means not everyone has it. No need to worry! While it is nice to have, you don't need it! There is light all around you; all you need to know is how to manipulate it. In this class, we'll demonstrate how to control the light you have to give you the best image. The techniques you will learn will help you use the sun in a basic three-point light setup. You will also learn how to use the lights you find almost anywhere: desk lamps, ceiling lights, candles, and more.</i></p> |
| | 501 | <p>Following Jesus on Instagram</p> <p>Ben Maison Salem Alliance Church Salem, OR</p> <p><i>In this class, Ben will teach you how to create consistency with your platforms, how to find a meaningful presence digitally and how to get more get more    and . Hopefully you know what I meme.</i></p> |
| Breakout 2 | 403 | <p>No Camera? No Problem!</p> <p>Andrew Cox Orlando Christian Church Orlando, FL</p> <p><i>In this day and age, you don't need a traditional, expensive camera in order to create amazing videos. Every one of us has a camera in our pocket that is more than capable of recording high quality videos. All you need to know is how to use it! In this class you'll learn how to use your phone's camera to create great content. Most new phones are able to record 4K video and even slow motion. However, phones are not perfect. This class will also help you understand the pros and cons of filming on a phone, and how to use both to your advantage.</i></p> |
